Functional Features Included in the Project

PocketSmart AI – Smart Budget and Recommendation AI

Valliammal College for Women | Department of BCA

Priya (Team Leader), Saira Banu, Harinishree, Pooja Shree, Lavanya

Main functional areas

• Home page and feature navigation

• User authentication pages where included in the project

• Home interior planning and generated output

• Party planning and generated output

• Jewelry planning and generated output

• Dashboard/history-related views where implemented

• About/features pages

• Gemini AI-assisted recommendation generation

Demonstration focus

The project demonstrates multiple end-to-end user flows rather than a single static page.
